

Comparative Law Webinar

DELAY ANALYSIS NORTH AMERICA V UK PREFERENCES

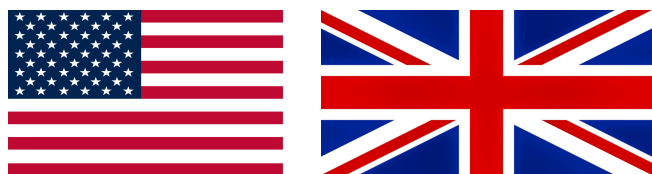

The Society of Construction UK & The Society of Construction Law NA are pleased to invite you to a discussion on comparative law, held simultaneously in both London and New York. Join us for an engaging webinar featuring a lively discussion and debate between Walied Abdeldayem (North American approach) and Ewen MacLean (UK approach). Discover firsthand which delay analysis methods are preferred by experts who use them. Don't miss this opportunity to learn from the best in the field!
